Scholarship Season Coming Up

Each year Sunlight FCU awards multiple scholarships to qualified high school graduates from each of our 4 Sunlight offices. This year we were able to help 8 young men and women with their college tuition.

One of the qualifications is that the applicant be a member of Sunlight FCU. This means they can already be an existing member or they can open a membership when they apply for the scholarship.

If you have any questions about the scholarship, please talk to the guidance team at your local high school or call Paula at our Sheridan office 307-672-9028.
